Dear Friend,

We at the Heart of the Father Ministries are delighted that you have asked for ministry. We want to help you take hold of the freedom given to you in Jesus Christ. One person wrote:

“My experience of being prayed for by a Heart of the Father Ministries prayer team was an experience of being loved. It was very peaceful. I never felt intimidated or pressured in any way. The discernment and love of the team led me to an experience of freedom that I have never felt before. I recommend this type of prayer for anyone who wishes to be free of bondages.”

This is our desire for you as well.

You will meet with a ministry team for about 60 - 90 minutes. The time will be spent listening and praying with you to experience release and more freedom.

We ask that you be prepared for the session in the following ways:

1. Ask the Holy Spirit to speak to you as you read at least the first seven chapters of the book *UNBOUND* and review the questions on page 240.
2. Prayerfully list the areas of bondage that arise in you as you read.
3. Come to the session at your scheduled time.

You will be taught how to use the Five Keys described in *UNBOUND*. Experiencing freedom from spiritual bondages which are hidden in darkness requires a willingness to be honest, a commitment to trust in the Lord, and a deep desire to be free. We think learning to use the Five Keys in your life following our prayer session will be crucial to your continued healing.

We are not equipped to offer ongoing support to those we minister to. This ministry is most fruitful in the lives of people who are part of a church body and have spiritual support through mature friendships, family, counseling, or pastoral care. This is not meant to take the place of professional counseling or medical treatment. You will not be asked to stop such treatments. The prayer team is trained to help you break the power of spiritual influences which can be obstacles to healing and blessings. We encourage you to bring a trustworthy friend, pastor, or counselor to accompany you to your appointment. This would be someone who could offer ongoing support after prayer.

Everyone on our Unbound team will do our very best to ensure that what you share in your Unbound session will be strictly confidential. However, it is important that you are aware of two limitations to our confidentiality. First, some of our team members are mandated reporters, meaning that they are required by Pennsylvania law to report any disclosure that gives them reason to believe that an identifiable child (who is presently under 18 years of age) has been abused. If you make this type of specific disclosure, they will have no choice but to break confidentiality and file a report.

Second, if any of our team members has reason to believe that you or another person is presently in danger because of information you have shared, or that dangerous criminal activity could be prevented, they may break confidentiality because they feel morally obligated to act for your safety or the safety of others. We want to keep your story in confidence and help you to find freedom in the love of God.

Heart of the Father Ministries is funded primarily by donations. Since donations are the main source of income for Heart of the Father, we ask you to prayerfully consider a donation to this ministry so that we can continue praying with people without asking for a fee.

May the Lord grant you peace as you prepare to meet Him in His mercy and grace.

Sincerely in Christ,

Neal Lozano
